PORTUGAL A++

Moody's is proud to announce that Portugal is now ranked as an A++ country.

Here at Moody's we are paid to say what our \$ friends want, we are powerfull. We sell some hunches and everyone believes them. It's the mood of the day.

Yet, we have trivial security vulnerabilities on our website.

This is Afonso Henriques, our first king. On your webpage... priceless :)

Afonso ranked your website as Z--

HIS SWORD WILL BE SHOVED UP YOUR ASS

Sincerly,
PORTUGUESE CITIZENS
