28 **Subdivision G—Identified person warrants**

29 **27C Issue of identified person warrants**

30 *Issue of warrant*

- 31 (1) If the Director-General requests the Minister to do so, and the
32 Minister is satisfied as mentioned in subsection (2), the Minister

1 may issue an identified person warrant in relation to a particular
2 person.

3 *Test for issue of warrant*

- 4 (2) The Minister is only to issue an identified person warrant in
5 relation to the person if he or she is satisfied that:
- 6 (a) the person is engaged in or is reasonably suspected by the
7 Director-General of being engaged in, or of being likely to
8 engage in, activities prejudicial to security; and
 - 9 (b) the issuing of the warrant in relation to the person will, or is
10 likely to, substantially assist the collection of intelligence
11 relevant to security.

12 *Requirements for warrant*

- 13 (3) The identified person warrant must:
- 14 (a) be signed by the Minister; and
 - 15 (b) identify the person:
 - 16 (i) if the name of the person is known—by specifying the
17 person’s name; or
 - 18 (ii) otherwise—by including other details sufficient to
19 identify the person; and

 - 24 (iii) use one or more kinds of surveillance devices;
 - 25 (iv) access postal articles that are in the course of the post;
 - 26 (v) access articles that are being delivered by a delivery
27 service provider.

28 Note: Conditional approval does not, of itself, authorise the Organisation to
29 do things under an identified person warrant. Things can only be done
30 under the warrant if the Organisation is subsequently authorised to do
31 those things: see sections 27D to 27H.

32 *Duration of warrant*

- 33 (4) An identified person warrant must specify the period during which
34 it is to remain in force. The period must not be more than 6

1 months, although the Minister may revoke the warrant before the
2 period has expired.

3 *Issue of further warrants not prevented*

4 (5) Subsection (4) does not prevent the issue of any further warrant.

5 *Warrant may be subject to restrictions or conditions*

6 (6) An identified person warrant is subject to any restrictions or
7 conditions specified in it.

8 **27D Authority under identified person warrant—search of premises**
9 **and persons**

10 (1) This section applies if an identified person warrant in relation to a
11 person (the *identified person*) gives conditional approval for the
12 Organisation to access records or other things in or on premises.

13 *Things that may be authorised under warrant*

14 (2) Subject to subsection (3), the Minister or the Director-General
15 may, on request, authorise the Organisation to do one or more of

18 (a) enter the subject premises;

19 (b) enter any premises for the purposes of gaining entry to or
20 exiting the subject premises;

21 (c) search the subject premises for the purpose of finding records
22 or other things relevant to the prejudicial activities of the
23 identified person;

24 (d) open any safe, box, drawer, parcel, envelope or other
25 container in or on the premises in which there is reasonable
26 cause to believe that records or other things relevant to the
27 prejudicial activities of the identified person may be found;

28 (e) conduct an ordinary search or a frisk search of the identified
29 person or any other person if:

30 (i) the person is at or near the subject premises when the
31 authority given by this subsection is exercised; and

32 (ii) there is reasonable cause to believe that the person has,
33 on his or her person, records or other things that are

- 1 relevant to the prejudicial activities of the identified
2 person;

4 found, and make copies or transcripts of any such record or

6 intelligence by the Organisation in accordance with this Act;
- 7 (g) remove and retain any record or other thing so found, for the
8 purposes of:
- 9 (i) inspecting or examining it; and
10 (ii) making copies or transcripts of it;
- 11 (h) if there is reasonable cause to believe that data relevant to the
12 prejudicial activities of the identified person may be
13 accessible by using a computer or other electronic equipment,
14 or a data storage device, brought to or found on the subject
15 premises—use the computer, equipment or device for the
16 purpose of obtaining access to any such data and, if necessary
17 to achieve that purpose, add, copy, delete or alter other data
18 in the computer, equipment or device;
- 19 (i) if paragraph (h) applies—use the computer, equipment or
20 device to do any of the following:
- 21 (i) inspect and examine any data to which access has been
22 obtained;
- 23 (ii) convert any data to which access has been obtained, that
24 appears to be relevant to the collection of intelligence by
25 the Organisation in accordance with this Act, into
26 documentary form and removing any such document;
- 27 (iii) copy any data to which access has been obtained, that
28 appears to be relevant to the collection of intelligence by
29 the Organisation in accordance with this Act, to any
30 data storage device and remove the device;
- 31 (j) any thing reasonably necessary to conceal the fact that any
32 thing has been done under the warrant;
- 33 (k) any other thing reasonably incidental to any of the above.

34 *Test for authorisation*

- 35 (3) The Minister or the Director-General is only to give an
36 authorisation under subsection (2) if the Minister or the

1 subject premises will substantially assist the collection of
2 intelligence relevant to the prejudicial activities of the identified
3 person.

4 *Additional rules applying to authorisations*

- 5 (4) An ordinary search or frisk search of a person that is authorised
6 under paragraph (2)(e) must, if practicable, be conducted by a
7 person of the same sex as the person being searched.
- 8 (5) A record or other thing retained as mentioned in paragraph (2)(g)
9 may be retained:
- 10 (a) if returning the record or thing would be prejudicial to
11 security—only until returning the record or thing would no
12 longer be prejudicial to security; and
13 (b) otherwise—for only such time as is reasonable.

14 *Certain acts not authorised*

- 15 (6) Paragraph (2)(e) does not authorise a strip search or a search of a
16 person's body cavities.
- 17 (7) Paragraphs (2)(h) to (k) do not authorise the addition, deletion or
18 alteration of data, or the doing of any thing, that is likely to:
- 19 (a) materially interfere with, interrupt or obstruct the lawful use
20 by other persons of a computer or other electronic equipment,
21 or a data storage device, found on the subject premises unless
22 the addition, deletion or alteration, or the doing of the thing,
23 is necessary to do the things authorised under one or more of
24 those paragraphs; or
25 (b) cause any other material loss or damage to other persons
26 lawfully using the computer, equipment or device.

27 **27E Authority under identified person warrant—computer access**

- 28 (1) This section applies if an identified person warrant in relation to a

- 13 for the purpose of obtaining access to data (the *relevant data*)
14 that is relevant to the prejudicial activities of the identified
15 person and is held in the target computer at any time while
16 the authorisation is in force and, if necessary to achieve that
17 purpose, add, copy, delete or alter other data in the target
18 computer;
- 19 (d) if, having regard to other methods (if any) of obtaining access
20 to the relevant data which are likely to be as effective, it is
21 reasonable in all the circumstances to do so—use any other
22 computer or a communication in transit for the purpose
23 referred to in paragraph (c) and, if necessary to achieve that
24 purpose, add, copy, delete or alter other data in the computer
25 or the communication in transit;
- 26 (e) copy any data to which access has been obtained, that
27 appears to be relevant to the collection of intelligence by the
28 Organisation in accordance with this Act;

6 Director-General is satisfied, on reasonable grounds, that doing
7 that thing or those things under the warrant in relation to the target
8 computer will substantially assist the collection of intelligence
9 relevant to the prejudicial activities of the identified person.

10 *Certain acts not authorised*

- 11 (5) Subsection (2) does not authorise the addition, deletion or
12 alteration of data, or the doing of any thing, that is likely to:
13 (a) materially interfere with, interrupt or obstruct a
14 communication in transit or the lawful use by other persons
15 of a computer unless the addition, deletion or alteration, or
16 the doing of the thing, is necessary to do one or more of the
17 things authorised under subsection (2); or
18 (b) cause any other material loss or damage to other persons
19 lawfully using a computer.

20 **27F Authority under identified person warrant—surveillance**

29 (a) install, use and maintain surveillance devices of the kind
30 specified in the conditional approval to:

34 (ii) track the identified person;
-

- 1 (b) install, use and maintain surveillance devices of the kind
2 specified in the conditional approval:
3 (i) in or on premises where the identified person is

7 had not been varied in that way, for so long as the participant:
8 (a) is unaware of the variation; and
9 (b) is not reckless about the existence of the variation.

32 relation to the offence constituted by the related conduct.
- 33 (2) Despite any other law of the Commonwealth, a State or a Territory,
34 the person who engaged in the ancillary conduct is not criminally
